

Module

```
graph BT; A[models.common.Proto] --> B[Module]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box with a black border containing the text 'models.common.Proto'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box with a gray border at the top. This white box contains the text 'Module'. This visualizes that 'models.common.Proto' inherits from or is a subclass of 'Module'.

models.common.Proto
