

Module

```
graph BT; A[models.common.Expand] --> B[Module]
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box containing the text 'models.common.Expand'. A solid blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'Module'. This visualizes that 'models.common.Expand' inherits from or is a specialization of the 'Module' class.

models.common.Expand
